

Join the Leader in Private Healthcare

Asiri Health is a leading private healthcare provider in Sri Lanka, comprising six hospitals that deliver exceptional clinical care through cutting-edge technology, innovation and medical excellence. With a strong reputation as a hi-tech pioneer in the sector, we offer a comprehensive range of services to meet the diverse needs of our patients. Strategically located in Colombo, Galle, Matara and Kandy, our hospitals are committed to providing world class medical care to the communities we serve.

We are currently seeking a dynamic individual to join our team as;

OPERATIONS MANAGER

We are seeking a highly motivated and experienced professional to oversee the hospital's day-to-day operations and ensure the efficient delivery of operational support services. Reporting to the Chief Operating Officer, the successful candidate will coordinate operational activities across departments, enhance service efficiency, optimize resource utilization, and contribute to delivering an exceptional patient experience while supporting the hospital's strategic objectives.

Roles and responsibilities:

- Oversee the hospital's day-to-day operations to ensure efficient service delivery and an excellent patient experience.
- Coordinate with clinical and support departments to optimize operational efficiency and patient flow.
- Monitor operational performance and implement initiatives to improve service quality and resource utilization.
- Ensure compliance with hospital policies, regulatory requirements, and accreditation standards.
- Lead operational teams and support the implementation of operational improvement projects.

Ideal applicant should possess the following attributes and qualifications:

- A Bachelor's Degree or an equivalent professional qualification in Healthcare Management, Business Administration or a related field.
- A Master's degree in Hospital Management or Business Management will be an added advantage.
- Minimum of 5 years of experience in a healthcare or hospital operations role, with at least 2 years in a Managerial capacity.
- Strong understanding of hospital systems, regulatory compliance, and healthcare administration.
- Excellent leadership, problem-solving, and interpersonal skills.
- Ability to work in a fast-paced, multidisciplinary environment.
- Proficient in MS Office and healthcare management systems.

If you are passionate about driving operational excellence in healthcare, with a strong focus on efficiency, service quality, and customer satisfaction, we encourage you to apply.

Please send your updated CV on or before 12th September 2026 via email, clearly indicating the position applied for in the subject line of the email.
